Quality improvement of Faculty:

- Teachers are motivated to participate in workshops, seminars and symposiums organized in various institutions by providing financial assistance. Few faculty members participated in workshops and conferences held in Malaysia, Sri lanka and Thailand by financial assistance from the management.
- We have taken a policy to organize at least one National level conference and one international level conference per year by the Institution. So we are regularly conducting them.

ITEM NO. 46.5 TO APPROVE AND RATIFY THE PROPOSED INNOVATION AND BEST PRACTICES ADOPTED BY THE COLLEGE (FOR INFORMATION)

- Rain water collection and storage system has been created and the rain water collected is used for wash room and gardening purposes
- Solar cum wind operated power generation (200 kW capacity) at a cost of Rs.65 Lakhs has been installed.
- For making the campus green, a scheme involving students has been initiated. Under this scheme each student will plant 5 trees and take care of them during their study period of 3 to 4 years.

ITEM NO. 46.6:- TO REVIEW THE TRAINING AND PLACEMENT FOR THE YEARS 2020-2021

The department of placement and training cell always focus on its objective of enhancing employability skills, in the quest for the right and best knowledge transfer, the department deliver its synergizing learning methods to students where they could transform and accumulate the required knowledge and skills in the stipulated time period, this has been the ultimate progression of EGSPEC over the years since the start of placements and this has even been accomplished in the 2019-2020 & 2020-2021 academic year through effective training and better placements. The various programmes organized in line with the above objective are mentioned below:
